Smart Healthcare

Never cease our pace to innovate

DNAKE, a leading provider of Intercom/Healthcare/Smart Home solutions, specializes in designing and manufacturing innovative and high-quality products and solutions. From its founding in 2005, DNAKE grew from a small business into a large, globally recognized player. DNAKE products are built with state-of-the-art technology, ensuring superior performance and reliability. With a focus on innovation, quality, and customer satisfaction, DNAKE is your trustworthy partner.

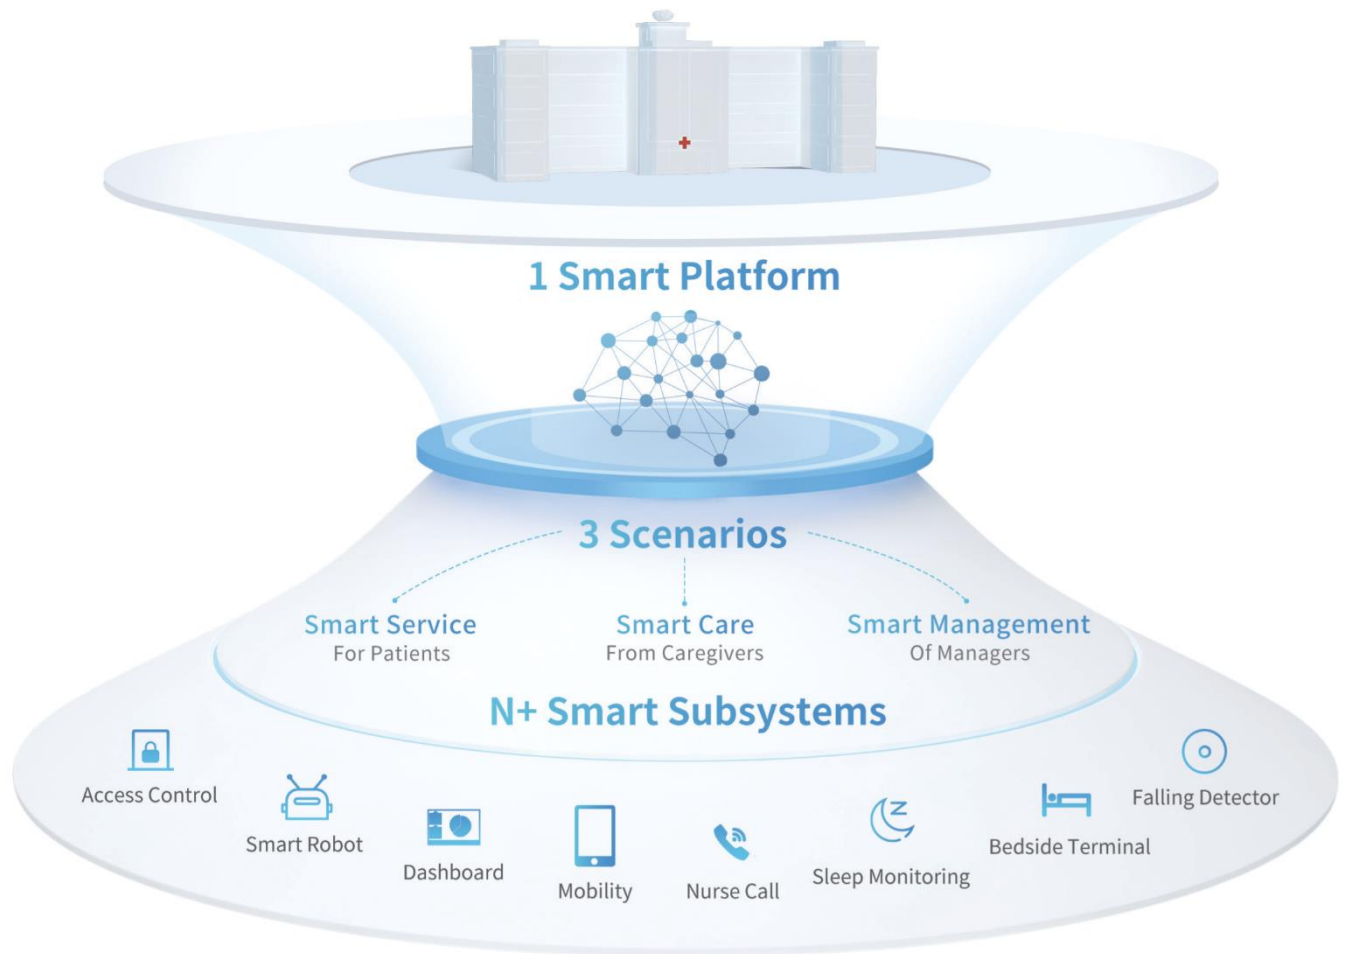

Smart Healthcare Total Solutions

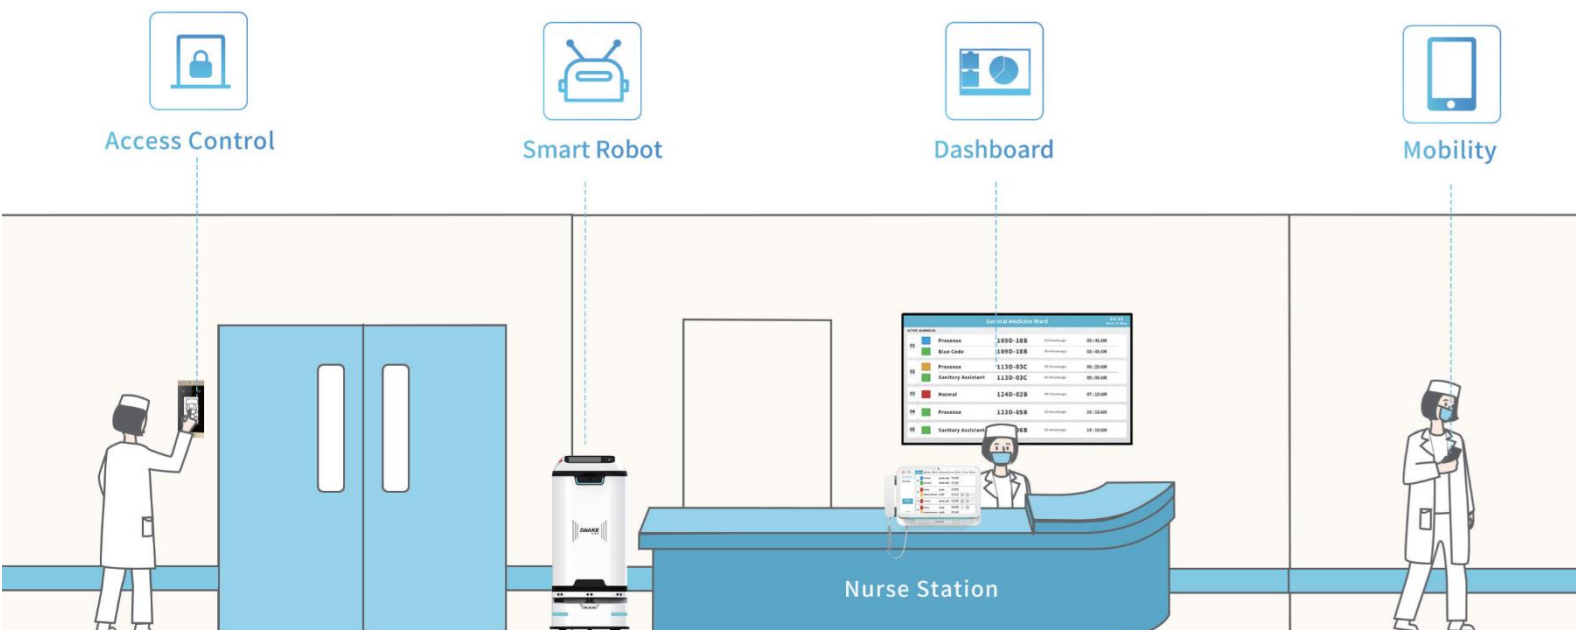

Smart communication between the patient, healthcare institute and medical staff to benefit everyone

With the increasingly serious global health problem, our society's demand for healthcare continues to rise. To ensure that institutions and hospitals protect everyone and stick to their life-saving mission, DNAKE Healthcare helps them draw a blueprint to deal with the global health crisis, routine healthcare for patient and act on medical emergencies more effectively. DNAKE Healthcare products provide institutions and hospitals with better service quality, more effective care experience and more satisfactory in-hospital experience. They help continuously optimize management and workflow and promote high-quality development of the healthcare industry.

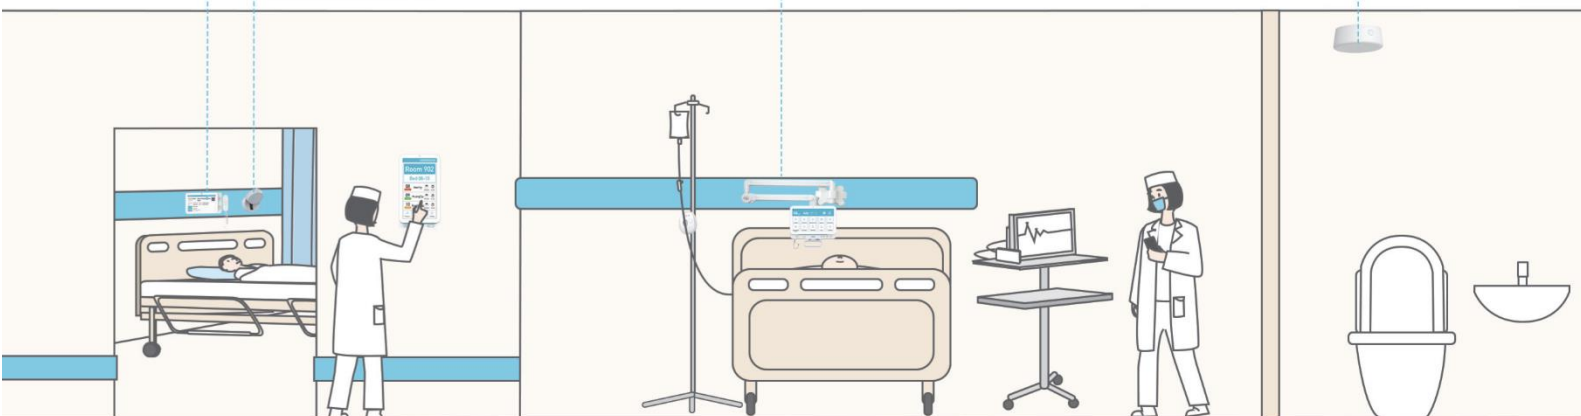

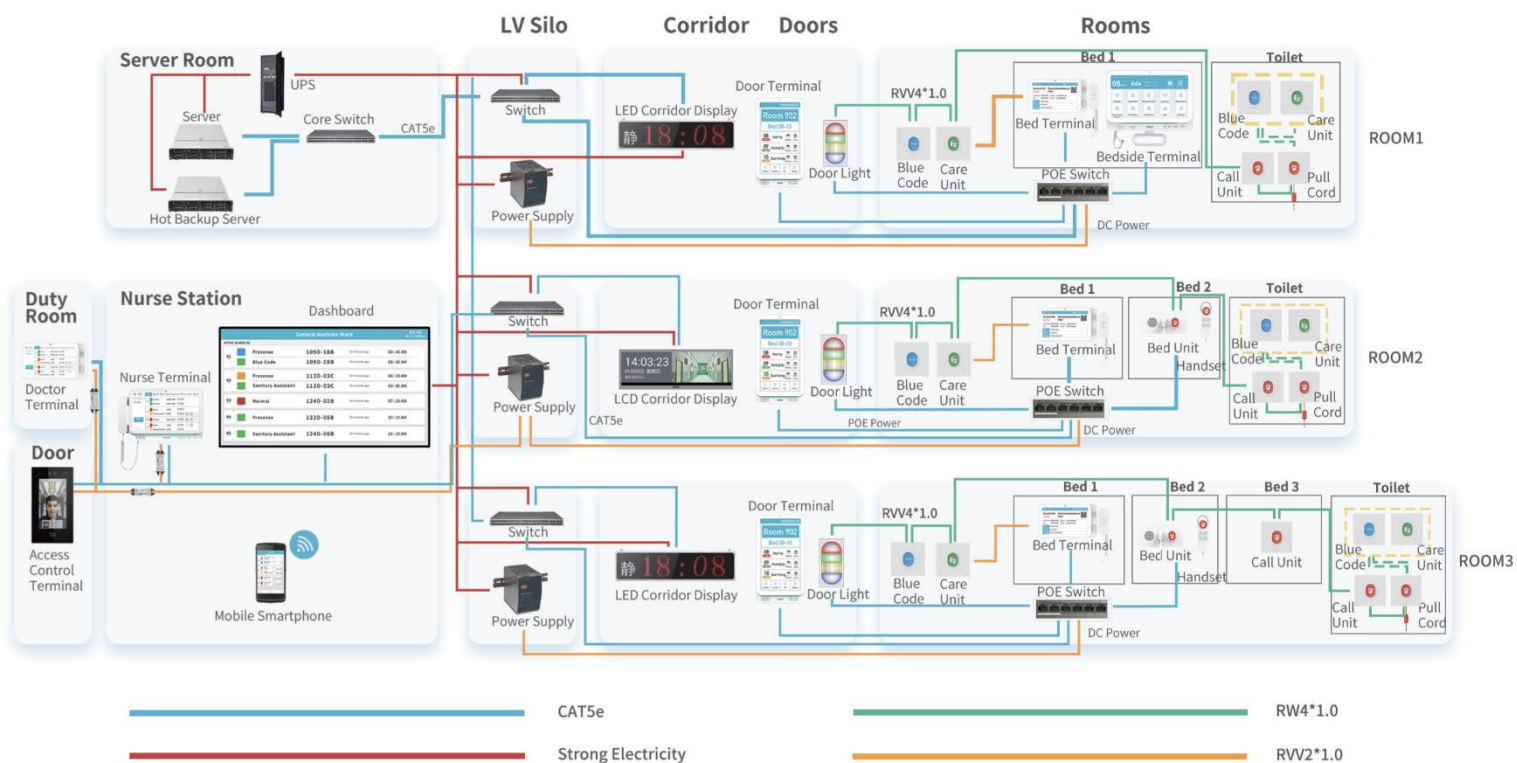

1+3+N Smart Healthcare Total Solutions

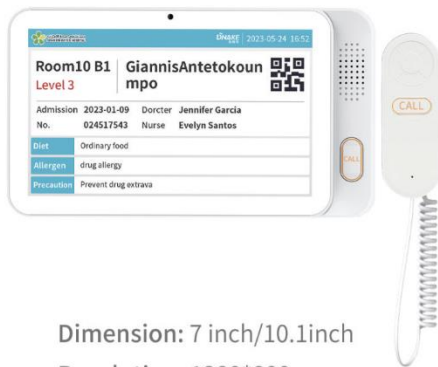

N+ Smart Subsystems

Architecture

Bed Terminal

Dimension: 7 inch/10.1inch
 Resolution: 1280*800
 Power Supply: DC 12V
 System: Android 10.0
 Interface: RS485*1, alarm Input*2, RJ45*1,
 handset*1, power

Bedside Terminal

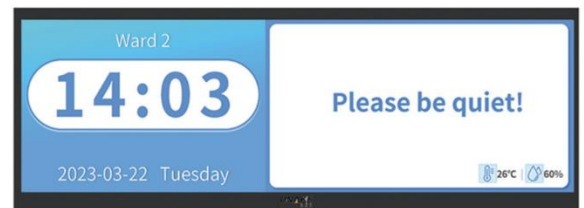

Dimension: 15.6 inch
 Resolution: 1920*1080
 Power Supply: DC 12V
 System: Android 10.0
 Protocol: TCP/IP

Nurse Terminal

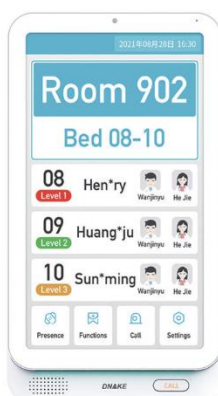

Dimension: 15.6 inch
 Resolution: 1920*1080
 Power Supply: DC 12V
 System: Android 10.0
 Protocol: TCP/IP, SIP, RTSP

Corridor Display

Display Size: 28.6 inch
 Resolution: 1920*560
 Installation: Lifting installation
 Dimension: 728.6*236*288.7mm

Door Terminal

Dimension: 10.1 inch
 Resolution: 800*1280
 Power Supply: DC 12V
 System: Android 10.0
 Interface: RS485*1, RJ45*1, alarm input*4,
 power*1

Unit Device

Bed Unit

Dimension: 172*86*12mm

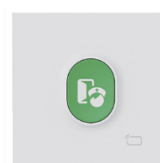

Power Supply: DC 12V/POE

Handset: 6 pin Magnetic Interface

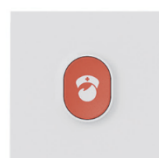

Protocol: RJ45 10/100M, RS485

Blue Code

Care Unit

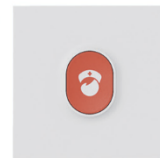

Call Unit

Model: AL7

Dimension: 86*86*12mm

Protocol: RS485

Card: Comply ISO/IEC 14443 Type A/B

Pull Cord

Door Light

Material: ABS/Anti-UV/Fire-proof V-0

Power Supply: DC 12V

Protocol: RJ45 10/100M, RS485

Alarm: Sound & Light

Smart Robot

KING KONG-RG380

Dimension: 1012mm*686mm*1412mm

Maximum speed: 2.0m/s

Supporting Capacity: $\leq 300\text{KG}$

Tank Volume: $\geq 380\text{L}$

Jade Rabbit-RS150

Dimension: 510mm*510mm*1200mm

Maximum Speed: 1.2m/s

Supporting Capacity: $\leq 50\text{KG}$

Tank Volume: $\geq 150\text{L}$

Dnake has serviced

2million+ Beds

1000+ Hospitals and Elderly-homes

OEM and ODM are supported
